

Reshape your life in 10 days:
10 Day Blood Sugar Support Program

Saturday, April 14, 2018

10am-11am

Presented By: Karla DeLisio

The program is free to our patients and friends. Family members of the patients are welcome, but space is limited.

Reservations are required before this event.

Please RSVP to 330-425-2477 or email iccdrh@gmail.com by 4/7/2018

Poor blood sugar control can lead to insulin resistance which can cause food cravings, sleep disturbances, cardiovascular problems and much more.

If you experience excessive hunger, irritability or light-headedness between meals, wake during the night and have difficulty returning to sleep, sweet/carb cravings or extra abdominal fat, this program can be of benefit to you.

If the program is purchased on the day of the seminar, we will offer you a 10% discount.
